

**WCOS Draft RFP Posted to FBO 11/12/2010**

**Answers to Questions received via email as of 12/20/2010**

Q: Would NCEP consider incenting a vendor to deliver 100% Operational Use Time rather than just a disincentive for less than 99.9%?

**A: Incentive provisions will not be included in this acquisition.**

Q: Would NCEP consider an incentive for greater than 99% System Availability?

**A: Incentive provisions will not be included in this acquisition.**

Q: Would NCEP consider an incentive for greater than 99% Development Use Time?

**A: Incentive provisions will not be included in this acquisition.**

Q: How does NCEP measure or compute a 99.75% Operational Use Time (OUT)? Is it 99.8% or 99.7%?

**A: OUT will be clarified in the final RFP.**
